public access

cultural, particularly Tribal, or historic sites not currently
included in a monument

cultural, particularly Tribal, or historic sites not adequately
protected by Proclamation or regulations

recreational use – hunting, fishing, hiking

inholdings

legal comments or analysis

grazing

oil, gas or minerals

whether monument exceeds "the smallest area compatible with
the proper care and management of the objects to be protected";

whether protected resources in monument are appropriately
classified as "historic landmarks, historic and prehistoric
structures, [or] other objects of historic or scientific interest";

the effects of a designation on the available uses of adjoining
Federal lands beyond the monument boundaries;

the effects of a designation on the use and enjoyment of non-
Federal lands within or beyond monument boundaries;

if comment is from State, Tribal or local government

public input on establishment of the Monument

proposed other Monuments for review

significant "other" – reviewer to note subject(s) and report them
at end of shift
